

LIST OF TABLES

<u>Table</u>		<u>Page</u>
1.1	... The topics included in the population schedule at the censuses in Sri Lanka : 1871 - 1971	6
1.2	... Information on housing obtained at the censuses in Sri Lanka : 1946 - 1971	8
1.3	... Number of census blocks in each district by sector - 1971 Census of Population	10
2.1	... Population, numerical increase and percentage increase, Sri Lanka 1871 - 1971	18
2.2	... Intercensal increase in population, births, deaths, natural increase and migration increase	22
2.3	... Births, deaths, crude birth and death rates, natural increase and net migration 1953 - 1971	25
2.4	... Average age at marriage derived from census data. Sri Lanka 1946 - 1971	26
2.5	... Proportion of women currently married between the ages of 15 and 35	26
2.6	... Changes in age specific marital fertility rates in Sri Lanka 1963 - 1971	26
2.7	... Average annual rates of growth of major ethnic groups during intercensal periods 1946 - 1971	27
2.8	... Average birth rate, death rate and rate of natural increase for the period 1963-1971 by ethnic groups - Sri Lanka	28
2.9	... Population by districts and intercensal rates of growth 1946 - 1971	29
2.10	... Rate of population growth of selected countries 1963 -72	30
3.1	... Districts arranged according to descending order of population size showing land area and density and their rank in 1971	33
3.2	... Population in the wet zone and the dry zone	36
3.3	... Increase in density from 1871 to 1971 in Sri Lanka	36
3.4	... Population distribution and population density in the 4 agro-ecological zones - 1963 to 1971	38
3.5	... Distribution of urban and rural population in Sri Lanka for census years 1901 to 1971	40
3.6	... Urban population as at the censuses of 1963 and 1971	40
3.7	... Distribution of urban population by type of area and district - 1971	41
3.8	... Population distribution by type of urban area and size of population - 1971	42
3.9	... Total population by type of urban area - 1963 and 1971	43
4.1	... Net migration into and from districts during each intercensal period since 1946.	47
4.2	... Sri Lanka born population by district of residence cross-classified by district of birth. 1971 census of population	50
4.3	... Summary of migration information from place of birth statistics with relative measure of lifetime in-and-out migration : census of Sri Lanka 1971	52
4.4	... The districts of origin of the three largest streams of lifetime in-migration to each district. 1971 census of population	53

<u>Table</u>		<u>Page</u>
4.5	... The District of Destination of the three largest streams of lifetime out-migration from each district	54
4.6	... Number and percentage of internal migrants in Sri Lanka - 1971 census	56
4.7	... Number and percentage of in-migrants from other districts during specified time intervals prior to the census date derived from duration of residence data - 1971 census of population	57
4.8	... Number and percentage of out-migrants to other districts during specified time intervals prior to the census date derived from duration of residence data - 1971 census of population	58
4.9	... Number and percentage of net migrants into districts during specified time intervals prior to the census date derived from duration of residence data - 1971 census of population	59
4.10	... Comparison of lifetime in-migrants (inter-district) with in-migrants, derived from data on duration of residence - 1971 census of population	61
4.11	... Percentage of migrants in the resident population by duration of residence	62
4.12	... Sex ratios of migrants (males per 1000 females)	63
5.1	... Myer's index of digital preference for digits 0 - 9: Sri Lanka census of 1946 - 1971	66
5.2	... Age accuracy index by the U.N. Secretariat method Sri Lanka censuses of 1921, 1946, 1953, 1963 & 1971	69
5.3	... Population by 5 year age groups 1946 - 1971	71
5.4	... Percentage distribution of population by 5 year age groups - 1921 - 1971	71
5.5	... Percent distribution of population in broad age groups and dependency	72
5.6	... Population of Sri Lanka classified by sex, sex ratio and masculinity proportion - 1871 to 1971	73
5.7	... Sex ratio: males per 1000 females by five year age groups - 1946 - 1971	75
5.8	... Sex ratios by districts 1971	75
5.9	... Number of males per 1000 females in selected countries 1971.	76
6.1	... Population of Sri Lanka by ethnic groups in census years	79
6.2	... Percentage distribution of ethnic groups in the census years	80
6.3	... Annual average growth rates (percentages) of ethnic groups during intercensal periods	81
6.4	... Percentage distribution of each ethnic group in the various districts - 1971	83
6.5	... Percentage distribution of ethnic groups in each district - 1971	84
6.6	... Population by race and religion and religion as a percentage of race - 1971	89
6.7	... Religion classified by race	89
6.8	... Number and percentage of total population of each religion - 1971	89
6.9	... Population of Sri Lanka by religion	91

<u>Table</u>		<u>Page</u>
6.10	... Percentage changes in religion and race	92
6.11	... Percentage distribution of religious groups by districts - 1971 census	93
6.12	... Percentage distribution of district population by religion	94
6.13	... Population by citizenship - 1963 & 1971	96
7.1	... Mean age at marriage 1946, 1953, 1963 and 1971	99
7.2	... Proportion of women currently married and never married by age groups 1946, 1953, 1963 and 1971 censuses	101
7.3	... Proportion of men currently married and never married by age groups 1946, 1953, 1963 and 1971 censuses	101
7.4	... Proportion of females widowed and divorced by age groups 1946, 1953, 1963 and 1971 censuses	104
7.5	... Proportion of currently married and never married females in the four agro ecological zones - 1963 and 1971	104 105
7.6	... Age-specific fertility rates, general fertility rates (15-44) and total fertility rates for 1953 and 1963 and percent changes 1953 - 1963	106
7.7	... Age specific marital fertility rates and percent changes 1953 - 1963	106
7.8	... Age specific fertility rates, general fertility rates (15-44) and total fertility rates for 1963 and 1971 and percent changes 1963 - 1971	106
7.9	... Age specific marital fertility rates 1963 - 1971 and percent changes	107
7.10	... Live births borne by ever married women by age at the 1971 Census	107
7.11	... Urban-rural fertility differentials for Sri Lanka child woman ratio: (Children 0-4 per 1000 females aged 15 - 49)	107
7.12	... Fertility rates by zones - 1963 and 1971	108
7.13	... Number of live births borne by ever married women according to age and educational attainment and fertility indices considering the live-births borne by women with no schooling as equivalent to 100	108 109
7.14	... Child-woman ratio by ethnic group - Sri Lanka 1963 and 1971	109
7.15	... Crude birth rates by ethnic groups - Sri Lanka 1946 - 1971	109
7.16	... Child-woman ratios by religion - 1971	110
8.1	... Literacy rates of the cohort aged 20-49 in 1946 traced through the censuses of 1953, 1963 and 1971	112
8.2	... Literacy rates of the population aged 10 years and over (number of literates per 1000 persons)	113
8.3	... Literacy rates by sex and age - 1971 census	114
8.4	... Literacy of the population aged 10 and over for urban and rural sectors of Sri Lanka 1963 and 1971	115
8.5	... Literacy rates of the population aged 10 years and over by districts - 1963 and 1971	116
8.6	... Comparison of 1971 census figures on school attendance with Education Ministry figures of school enrolment	116

<u>Table</u>		<u>Page</u>
8.7	... Percentage of children attending school by sex and single years of age for urban and rural sector 1971	117
8.8	... Percentage of children 6-14 attending school by sex for districts 1971	118
8.9	... Population 10 years and over by level of educational attainment 1971 census	119
8.10	... Percentage distribution of persons who have completed primary and higher levels, by age group	120
8.11	... Number reported as literate compared with the number estimated as literate from the reported educational attainment : 1971 census	121
9.1	... Population and labour force	124
9.2	... Population and labour force by age group and sectors, 1971	126
9.3	... Distribution of population and labour force by districts - 1971	127 128
9.4	... Age and sex composition of the population and the labour force 1946 - 1971	132
9.5	... Percentage distribution by activity of children aged 10 - 14 years : 1963 and 1971	133
9.6	... Percentage distribution by activity of young persons aged 15 - 19 years : 1963 and 1971	133
9.7	... Percentage distribution by activity of adult persons aged 20 - 59, 1971	135
9.8	... Employment status of women 1953 - 1971	136
9.9	... Employment status of women in agricultural occupations, 1953 - 1971	136
9.10	... Percentage distribution by activity status of old persons aged 60 years and over, 1971	137
9.11	... Distribution of employment by sectors, 1953 - 1971	138
9.12	... Employment and acreage cultivated under tea, rubber and paddy (rice), 1953 - 1971	140
9.13	... Distribution of those employed in the agriculture sector by status - 1971	140
9.14	... Distribution of persons employed in manufacturing industries 1953 - 1971	141
9.15	... Distribution of those employed in the industry sector by status, 1953 and 1971	142
9.16	... Employment in the selected activities in the service sector, 1953 - 1971	143
9.17	... Distribution of those employed in the service sector by status, 1953 - 1971	145
9.18	... Distribution of employed persons by occupation and educational attainment, Sri Lanka : 1971 census of population	149
9.19	... Distribution of employed population by status, 1953-1971	151
