

The topic of internal migration will be treated in greater detail in Chapter 4.

2.6 Comparison with growth rates of other countries.

A comparison of Sri Lanka's annual rate of growth during the intercen period 1963-71 with the growth rates of some other countries for a comparable period should be of interest. The countries have been grouped separately as developed and developing in Table 2.10 below.

TABLE 2.10 : RATE OF POPULATION GROWTH OF SELECTED COUNTRIES 1963-72

Country	Average Annual Rate of Growth (1963-72)
Developed Countries	
United Kingdom	0.4
Norway	0.8
Japan	1.1
U.S.A.	1.1
New Zealand	1.5
Canada	1.6
Australia	1.9
Developing Countries	
Singapore	2.0
Hongkong	2.0
Sri Lanka (1963-71)	2.2
India	2.2
West Malaysia	2.4
Indonesia	2.1
Pakistan	2.4
Thailand	3.1
Mexico	3.5
Philippines	3.0
Iran	3.0
Iraq	3.3

Source: U.N. Demographic Yearbook.

It may be seen that in relation to other developing countries, Sri Lanka has quite a low rate of growth.
